Reliable Support Function for Realizing Your Creativity to the Embroidery

CROSSHAIR LED POINTER
FOR PERFECT NEEDLE POSITIONING

Ensure perfect pattern placement every time thanks to Brother's unique positioning function. As the largest crosshair pointer in the market, you can position and align the embroidery patterns in a simple and accurate way. The angle and direction of the embroidery pattern will also be automatically adjusted. The exact placement can be selected from nine reference points: the center, four corners and four midpoints of the sidelines.

LARGE EMBROIDERY AREA
(Up to 200 X 300MM)

Generous embroidery area for just about any project. Includes four embroidery frames: 200 x 300 mm, 130 x 180 mm, 100 x 100 mm and 40 x 60 mm, making it easy to go pro!

Personalize your creations in just about any way with 50 built-in lettering fonts and 18 monogramming styles. Customize fonts by adjusting the spacing, or change the thread density to improve the look of stitching.
