PT-E110VP

PT-E110VP Label Printer

Create labels in various colour combinations and widths that last for many years with this professional label printer. With dedicated functions to make common labelling tasks quick and easy, and with everything supplied in a hard carrying case, PT-E110VP label printer is an invaluable tool for electricians and other professional trades.

Fast 20mm / second print speed

Gets the job done quickly by printing each label in just a few seconds.

Cable wrap

Identify cables quickly with easy-to-read labels.

Cable flag

Select your cable diameter to print the correct length of label.

Dedicated number keypad

Speeds up the input of numeric labels.

Graphic display

Easily view symbols and preview your label before printing.

Face plate

Label socket outlets, network points and telephone extension faceplates for quick identification.

Sequential numbering

Print labels containing a sequence of numbers or letters.

200 built-in symbols

Includes common electrical, datacom, AV, security and safety symbols.

P-touch laminated labels – designed to last

Brother P-touch laminated TZe tapes are available in many different colours and sizes. The thermal transfer ink is sandwiched between two protective layers of PET (polyester film), protecting the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels have been tested to the extreme, you can be confident of a professional quality label that has been designed to last.

Laminated

Temperature Resistant

Water Resistant

Fade Resistant

Abrasion Resistant

Chemical Resistant

Easy Peel

Specialist tape cassettes

In addition to the extensive range of TZe tapes in various colours and sizes, specialist tapes for industrial use have been developed for specific labelling tasks.

Flexible-ID Tape
