

The Unparalleled Solution. For Your Business.

Jumpstart your productivity with the new mono laser series. Combining workflow optimisation with advanced security features, you can rely on enhanced performance that meets the day's challenges.

Streamline your workflow and secure your data with the new mono laser series.

A business partner like no other.

Ensure your business stays competitive and performs above and beyond expectations. Designed in Japan, the new Brother series comes with workflow optimisation and security features to maximise productivity and protect your data integrity.

Designed to Exceed Expectations

Discover how the Brother mono laser printer and Multi-Function Centre can bring your performance to the next level.

Built for Reliability

Print as much as you need with a robust and dependable machine that has a monthly print cycle of up to **150,000 pages a month**.

Built for Savings

An ultra high-yield toner lets you print up to **20,000¹ pages** for less. Choose from different toner settings to increase your savings per printout.

Built for Productivity

Handle high volume print jobs without the need of frequent paper reloads. The **default paper tray capacity holds up to 520 sheets,** and the optional upgrades of either two additional paper trays or tower tray, gives you a **total input capacity of up to 2,080 sheets.**

The **4-bin Mailbox**² with stacker and sorter makes it easy to share one printer among several users by allowing bins to be assigned to individual users or groups. This output option supports a **maximum capacity of up to 1,050 sheets.**

Further maximise productivity with these features:

- Paper stack full sensor³ automatically stops the machine when output level reaches maximum capacity
- High print speeds of up to 50ppm⁴
- 100ipm high speed 2-sided scanning⁵
- Scan and copy multiple pages with **80 sheets high capacity Automatic Document Feeder**⁶

Optional accessories require additional purchase
All trays and mailbox capacity may vary with paper types

Applicable for TN3498, in accordance with ISO/IEC 19752

² Applicable to HLL6400DW only

³ Not applicable to 4-bin mailbox

⁴ In accordance with ISO/IEC 11160-2:1996

⁵ Applicable to mono scanning for MFCL6900DW only, in accordance with ISO/IEC 17991

⁶ Applicable to MFCL6900DW only

Simplify business operations and safeguard your documents

Easily manage your Brother network-connected products from one central location using **BRAdmin Professional Software.**

This network management tool allows **remote configurations, monitoring of useful information** such as page counts, toner and drum status. With the option of setting print quota of each user, you can better **control printing cost.** Instant **notification of printer downtime** also lets you attend to the problem before it impacts productivity. What's more, this software features a **suite of security solutions** to assure you of your documents' confidentiality.

Created to prioritise security

Secure Function Lock 3.0

gives greater control over group or individual usage by allowing administrator to limit printer functions.

Internet Protocol Security (IPSec)

encrypts print jobs from the user's computer to the printers.

Print Archive

saves a copy of every print job in a set location. This makes E-Documentation easy, especially when reference files can be saved in PDF.

Secure Reset

removes stored data when reverting the printer to its original settings so that you can be sure that company data is protected.

Near Field Communication (NFC) Card Reader

enables your user to gain access to the printer and activate print jobs without the hassle of keying in a password.

Works with selected NFC Cards

Active Directory

ensures that your documents are printed only when the correct password is entered. Plus users don't have to remember multiple passwords as the password is the same as their PC's.

Flexible workflow solutions customised for your business

- The **Brother Special Solutions Customisation (SSC)** enables Brother products to be modified depending on your needs. Through careful collaboration, we help you design the best solution that meets specific business challenges.
- The **Brother Solutions Interface (BSI)** is a web-based service platform that lets software developers easily create customised solutions.

OPTIONAL ACCESSORIES

Upgrade for easy sorting

Enhance productivity with automated sorting, and two additional paper trays which boosts the paper input capacity of up to 1,610 (LT6506) sheets and output capacity of up to 1,050 sheets. (MX4000)

Upgrade for heavy print jobs

With the expanded paper input capacity up to 2,650 sheets (TT4000), the tower tray handle large volume printing without

Upgrade for the busy workgroups

Maximise workgroup efficiency with automated sorting, and prevent frequent paper reloads with the increased paper input capacity of up to 2,650 sheets (TT4000) and output capacity of up to 1,050 sheets. (MX4000)

OPTIONAL ACCESSORIES

Upgrade for high print demands

Optimise print jobs with two additional paper trays, which increases the machine's total input capacity up to 1,610 sheets. (LT6506)

Optional accessories require additional purchase

Upgrade for heavy-duty printing

Process large print jobs effortlessly and avoid printing interruptions with tower tray that holds total paper input capacity up to 2,650 sheets.

	Single-Function HLL6400DW	Multi-Function MFCL6900DW	
Key Functions	Automatic 2-sided Print, Wireless Connectivity and NFC Card Reader		
PRINT FUNCTIONS	,, ,		
Print Speed (A4/Letter)	Up to 50/52 ppm*		
Print Resolution	Up to 1200 x 1200 dpi		
First Print Out Time (Ready)	Less than 7.5 secs		
2-sided Feature	Automatic 2	Automatic 2-sided Print	
	N-in-1 Printing		
Special Print Functions	Poster Printing (Windows® only) Watermark Printing (Windows® only) Header-Footer Printing (Windows® only), Secure Print		
Print Language	PCL6, BR-Script3, IBM Proprinter XL, Epsor	FX-850, PDF Version 1.7, XPS Version 1.0	
Quiet Mode	Ye		
Mobile Print COPY FUNCTIONS	iPrint & Scan, Airprint, Go	ogle Cloud Print, Mopria	
Copy Speed (A4/Letter)	-	Up to 50/52 cpm	
Copy Resolution	-	1200 x 600dpi	
Reduction / Enlargement Ratio	-	25% - 400% in 1% increments	
Multi Copy / Stack	-	Up to 99 copies	
SCAN FUNCTIONS			
Scan Type	-	Monochrome/ Colour - ADF or Flatbed	
Dual Scanner (Method)	-	Dual CIS	
Scanning Speed (Mono/Color) Multiple sheets	-	Up to 50/20 ipm***	
Resolution (Optical/Enhanced)	-	Up to 1200 x 1200 dpi / Up to 19,200 x 19,200 dpi	
Scan Functions	-	Scan to Email Attachment, Image, OCR, File, Email Server, FTP, SFTP, USB and Network (Windows® only)	
FAX FUNCTIONS			
Modem Speed	-	33.6Kbps Super G3	
Transmission Speed (Mono)	-	Approx. 2.5sec. (ITU-T Test Chart, Std resolution, JBIG)	
Memory Transmission / Out-of paper reception	-	Up to 500 pages (ITU-T Test Chart, Std resolution, JBIG)	
Speed Dial	-	300 Locations	
Group Dials	-	20 Groups	
Broadcasting	-	350 Locations	
PC Faxing		Sending (Available for Windows®, Mac® [FaxShare Software by Brother], Linux® [LPR / CUPS PC-FAX Send Driver])
