

HL-3150CDN

# Chart your increasing productivity at 18 pages per minute.

Colour LED Printer with Networking Capability

**Save Money**  
Auto 2-sided Printing

**Convenience**  
Print without PC using mobile print

**Easy Sharing**  
Connect with multiple users via wired network

**Reduce Running Costs**  
Choice of high-yield colour toners for heavy print volume

Prints on both sides

# HL-3150CDN

The HL-3150CDN offers fast and efficient colour and monochrome print speeds of up to 18 pages per minute. What's more, with the automatic 2-sided printing feature, you can print on both sides and save on costs. Plus, you can share your printer easily with other users by connecting it via the built-in network. With the mobile print capability, you can print your documents from your mobile without the use of a PC.

Brother's high-yield toner cartridges will enable you to enjoy a lower cost per page for large print volumes. For greater efficiency and more cost savings, Brother is your preferred choice.

\* Declared yield value in accordance with ISO/IEC 19798  
^Drum may vary by type of use

Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality print, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.
