

HL-3170CDW

Chart your increasing productivity at 22 pages per minute.

Colour LED Printer with Wireless Capability

Save Money
Auto 2-sided Printing

Convenience
Print without PC using mobile print

Easy Sharing
Connect with multiple users via wired/wireless network

Reduce Running Costs
Choice of high-yield colour toners for heavy print volume

Prints on both sides

HL-3170CDW

The HL-3170CDW offers amazingly fast and efficient colour and monochrome print speeds of up to 22 pages per minute. What's more, with the automatic 2-sided printing feature, you can print on both sides and save on costs. Plus you can share your printer easily with other users by connecting it via the wireless network. With the mobile print capability, you can print your documents from your mobile without the use of a PC.

Brother's high-yield toner cartridges will enable you to enjoy a lower cost per page for large print volumes. For greater efficiency and more cost savings, Brother is your preferred choice.

Media sizes	A4, Letter, B5(JIS), A5, A5(Long Edge), A6, Exective, Legal, Folio		

* Declared yield value in accordance with ISO/IEC 19798
^Drum may vary by type of use

Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality print, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.
